Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee MCE/14, Reciprocating internal combustion engines, upon which the following bodies were represented:

- Agricultural Engineers Association
- British Industrial Truck Association
- Health and Safety Executive
- Society of Motor Manufacturers and Traders Limited
- Co-opted members

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 July 1996

National foreword

This British Standard reproduces verbatim ISO 8178-3:1994 and implements it as the UK national standard.

This British Standard is published under the direction of the Engineering Sector Board whose Technical Committee MCE/14 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the ISO title page, pages ii to iv, pages 1 to 6 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
