

Raw rubber or unvulcanized compounds — Determination of green strength

ICS 83.040.10; 83.060

National foreword

This British Standard is the UK implementation of ISO 9026:2007. It supersedes BS 903-A62:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/22, Physical testing of rubber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2007
