# Optics and photonics — Optical coatings

---

Part 8: Minimum requirements for coatings used for laser optics

## National foreword

This British Standard is the UK implementation of ISO 9211-8:2018.

The UK participation in its preparation was entrusted to Technical Committee CPW/172, Optics and Photonics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
