Ergonomics of human-system interaction

Part 500: Ergonomic principles for the design and evaluation of environments of interactive systems

National foreword

This British Standard is the UK implementation of [ISO 9241-500:2018](#).

The UK participation in its preparation was entrusted to Technical Committee PH/9, Applied ergonomics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
