

BSI Standards Publication

Erythema reference action spectrum and standard erythema dose

National foreword

This British Standard is the UK implementation of [ISO/CIE 17166:2019](#). It supersedes [BS ISO 17166:1999](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EL/1, Light and lighting applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
