systems —**

**Part 1: General principles governing
keyboard layouts**

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Information Systems Technology Standards Policy Committee (IST/-) to Technical Committee IST/18, upon which the following bodies were represented:

- British Computer Society
- British Telecommunications plc
- Digital Equipment Co. Ltd.
- HM Treasury (Central Computer and Telecommunications Agency)
- IBM United Kingdom Ltd.
- International Computers Limited
- Joint Information Systems Committee of the Higher Education Funding Council
- Kodak Limited
- Level 7 Ltd.
- National Computing Centre Ltd.
- National Health Services
- Rank Xerox Ltd.
- SEMA Group Systems Ltd.

This British Standard, having been prepared under the direction of the Information Systems Technology Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 November 1994

Text of ISO/IEC 9995-1	1

National foreword

This British Standard reproduces verbatim ISO/IEC 9995-1:1994 and implements it as the UK national standard. This British Standard, together with the other Parts of BS ISO/IEC 9995:1994, supersedes the following British Standards, which are withdrawn:

BS 2481-1:1982
BS 2481-2:1982
BS 2481-3:1982
BS 5231:1975
BS 5478-1:1977
BS 5478-3:1982
BS 5959:1980
BS 7292:1990

This British Standard is published under the direction of the Information Systems Technology Standards Policy Committee whose Technical Committee IST/18 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, Sales Department, BSI, 389 Chiswick High Road, London W4 4AL.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the ISO/IEC title page, pages ii to iv, pages 1 to 10, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
