Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Information Systems Technology Standards Policy Committee (IST/-) to Technical Committee IST/18, upon which the following bodies were represented:

- British Computer Society
- British Facsimile Industry Consultative Committee
- British Photographic Association
- British Printing Industries Federation
- British Telecommunications plc
- Computing Services Association
- Department of Trade and Industry (Information Technology Division)
- EEA (The Association of Electronics, Telecommunications and Business Equipment Industries)
- HM Treasury (Central Computer and Telecommunications Agency)
- Her Majesty's Stationery Office
- Institute of Information Scientists
- Joint Network Team
- Ministry of Defence
- National Computer Users' Forum
- National Computing Centre Ltd.
- National Health Services
- SGML Users' Group
- University of London
- User Standards Forum for Information Technology (Institute of Data Processing Management)

This British Standard, having been prepared under the direction of the Information Systems Technology Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 28 June 1991
