Foreword

This British Standard has been prepared under the authority of the Shipbuilding and Marine Industry Standards Committee and is based on a proposal of the British Ship Research Association.

This standard makes reference to the following British Standards:

BS 4011, *Recommendations for the co-ordination of dimensions in building.*

BS 459, *Doors — Part 3: Plywood faced fire-check flush doors and wood and metal frames.*

CP 151, *Doors and windows, including frames and linings — Part 1: Wooden doors.*

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

This British Standard, having been approved by the Shipbuilding & Marine Industry Standards Committee, was published under the authority of the Executive Board on 30 July 1970
