Foreword

This British Standard has been prepared under the direction of the Shipbuilding and Marine Standards Committee and has been developed from a proposal submitted by the British Ship Research Association.

It forms one of a series dealing with deck machinery for ships and provides requirements for the design, construction, safety, performance and acceptance testing of single deck cranes.

On-board acceptance tests and inspections are described in Appendix A and the information to be supplied by the purchaser is given in Appendix B.

Other standards in this series are:

BS MA 30, *Glossary of terms and graphical symbols for ships' deck machinery.*

BS MA 31, *Ships' deck machinery — cargo winches.*

BS MA 32, *Ships' deck machinery — mooring winches.*

BS MA 33, *Ships' deck machinery — warping winches.*

BS MA 34, *Ships' deck machinery — capstans.*

BS MA 35, *Ships' deck machinery — windlasses.*

BS MA 36, *Ships' deck machinery — topping winches.*

BS MA 52, *Ships' deck machinery — accommodation ladder winches.*

BS MA 53, *Ships' deck machinery — towing winches for deep sea use.*

BS MA 54, *Ships' deck machinery — trawl winches.*

BS MA 55, *Ships' deck machinery — lifeboat winches.*

BS MA 56, *Ships' deck machinery — anchor cable stoppers.*

BS MA 57, *Ships' deck machinery — rope storage reels.*

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 6 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

Amendments issued since publication

Amd. No.	Date of issue	Comments

This British Standard, having been prepared under the direction of the Shipbuilding and Marine Standards Committee, was published under the authority of the Executive Board on 29 December 1978
