

Specification for

Chromium-vanadium steel wire and springs —

(High duty ground wire — hardened
and tempered)

UDC 629.7:669.14.018.27 – 157:[669.15.26'292 – 194 – 426 + 699.15'26'292 – 194 – 272]

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard, having been approved by the Aerospace Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council of the Institution on 24 August 1967
