Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/15, Wrought and cast steels for aerospace, upon which the following bodies were represented:

- British Investment Casting Trade Association
- Civil Aviation Authority (Airworthiness Division)
- Confederation of British Forgers
- Institute of Spring Technology
- Ministry of Defence
- Society of British Aerospace Companies
- Stainless Steel Wire Industry Association
- UK Steel Association

This British Standard, having been prepared under the direction of the Engineering Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 November 1999

© BSI 11-1999
