Cooperating organizations

The Non-ferrous Metals Standards Committee, under whose direction this Draft for Development was prepared, consists of representatives from the following:

- Aluminium Federation
- British Electrical and Allied Manufacturers' Association (BEAMA)
- British Lead Manufacturers' Association
- British Non-ferrous Metals Federation*
- Copper Development Association*
- Electric Cable Makers' Confederation
- Institute of British Foundrymen
- Institution of Mechanical Engineers
- Institution of Production Engineers
- Institution of Structural Engineers
- International Tin Research Institute
- Lead Development Association
- Light Metal Founders' Association
- London Metal Exchange*
- Magnesium Industry Council
- Ministry of Defence*
- Non-ferrous Metal Stockists*
- Royal Institute of British Architects
- Society of Motor Manufacturers and Traders Limited
- Zinc Development Association

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the Technical Committee entrusted with the preparation of this Draft for Development:

- BNF Metals Technology Centre
- The Copper Smelters and Refiners Association
- Individual experts

This Draft for Development, having been prepared under the direction of the Non-ferrous Metals Standards Committee, was published under the authority of the Executive Board and comes into effect on 30 October 1981
