International Civil Aviation Organization (Attention: Distribution Officer), International Aviation Building, 1080 University Street, Montreal 3 (Quebec), Canada.

Do you receive the ICAO BULLETIN?

The ICAO Bulletin contains a concise account of the activities of the Organization as well as articles of interest to the aeronautical world.

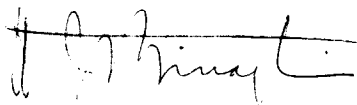

The Bulletin will also keep you up to date on the latest ICAO publications, their contents, amendments, supplements, corrigenda, and prices.

TO THE ASSEMBLY OF THE
INTERNATIONAL CIVIL AVIATION ORGANIZATION

I have the honour to transmit, at the direction of the Council, its Report for the Year 1964, prepared in compliance with the terms of Article 54(a) of the Convention on International Civil Aviation. With the Reports for 1962 and 1963, it constitutes the documentation for Item 7 of the Provisional Agenda for the Fifteenth Session of the Assembly. Supplemented by a brief review of the work of the Organization during the first five months of 1965, it will be sent to the Economic and Social Council in pursuance of Article VI, paragraph 2(a) of the Agreement between the United Nations and ICAO.

The Report was prepared by the Secretariat and circulated in draft to Representatives on Council for their suggestions, but the Council, as a body, has not formally examined or adopted it. Instead, as for several years past, authority was delegated to the President of the Council to approve the final text after considering all suggestions received.

The Council held three sessions in 1964 - the Fifty-first from 13 January to 26 March, the Fifty-second from 27 April to 26 June, and the Fifty-third from 15 September to 18 December - all at the Headquarters of the Organization in Montreal. It delegated to its President authority to act on a variety of matters, as necessary, during the recesses.

Walter Binaghi
President of the Council
