## COMMITTEE PERSONNEL

### Standards Committee 1953-1954

|                                          |                    |                                     |                 |
|------------------------------------------|--------------------|-------------------------------------|-----------------|
| A. G. JENSEN, <i>Chairman</i>            |                    | L. G. CUMMING, <i>Vice Chairman</i> |                 |
| M. W. BALDWIN, JR., <i>Vice Chairman</i> |                    | E. WEBER, <i>Vice Chairman</i>      |                 |
| K. E. Anspach                            | C. A. Cady         | R. A. Hackbusch                     | D. C. Ports     |
| J. Avins                                 | P. S. Carter       | P. J. Herbst                        | P. C. Sandretto |
| R. R. Batcher                            | A. G. Clavier      | J. G. Kreer, Jr.                    | R. Serrell      |
| W. R. Bennett                            | J. L. Dalke        | E. A. Laport                        | R. F. Shea      |
| J. G. Brainerd                           | A. W. Friend       | W. P. Mason                         | R. E. Shelby    |
| F. T. Budelman                           | F. J. Gaffney      | G. D. O'Neill                       | N. Smith        |
| H. F. Burkhard                           | W. D. Goodale, Jr. | W. J. Poch                          | W. G. Tuller    |
|                                          |                    | J. E. Ward                          |                 |

### Measurements Co-ordinator

E. Weber

### Video Techniques Committee 1952-1954

|                                       |                           |                                               |
|---------------------------------------|---------------------------|-----------------------------------------------|
| W. J. POCH, <i>Chairman</i> , '52-'54 |                           | A. J. BARACKET, <i>Vice Chairman</i> , '52-'5 |
| S. W. Athey, '53-'54                  | V. J. Duke, '52-'54       | J. E. Keister, '52-'53                        |
| J. H. Battison, '52-'54               | G. L. Fredendall, '52-'54 | L. L. Lewis, '52-'54                          |
| K. B. Benson, '52-'54                 | R. L. Garman, '52-'53     | C. G. Pierce, '52-'54                         |
| R. W. Clark, '52-'53                  | R. E. Graham, '52-'53     | B. F. Tyson, '52-'54                          |
| E. M. Coan, '53-'54                   | J. R. Hefe, '53-'54       | E. Weppler, '53-'54                           |
| S. Doba, Jr., '52-'54                 | J. L. Jones, '52-'54      |                                               |

### Subcommittee on Video Systems and Components: Methods of of Measurement

|                                           |                         |
|-------------------------------------------|-------------------------|
| A. J. BARACKET, <i>Chairman</i> , '52-'54 |                         |
| I. C. Abrahams, '52-'54                   | J. R. Hefe, '52-'54     |
| R. Betts, '52-'54                         | A. Lind, '52-'54        |
| R. DeBaun, '52-'54                        | N. E. Sprecher, '53-'54 |
| G. L. Fredendall, '52-'54                 | J. F. Wiggan, '52-'54   |
