ACKNOWLEDGMENT

The Institute wishes to acknowledge its indebtedness to those who have so freely given of their time and knowledge, and have conducted experimental work on which many of the IEEE publications are based.

This publication was prepared by Subcommittee 22 of the Electromagnetic Measurements State-of-the-Art Committee of the IEEE Instrumentation and Measurement Group. The membership of the Subcommittee was:

D. A. Ellerbruch, *Chairman*

S. B. Cohn
P. D. Lacy
R. A. Sparks
