Replace the subclause by:

"8.3.1.1.1.4 Originally-intended-recipient-name

This argument contains the **OR-name** of the recipient specified by the originator at the time of submission, as modified by the message-submission procedure (see 14.6.1). It shall be generated by the MTS (at the MTA performing message-delivery or report-generation) if the originally-specified **OR-name** of the recipient has been replaced as a result of DL-expansion or redirection."

Replace the subclause title and first paragraph by:

"8.3.1.1.1.5 Redirection-history
