## BRIEF HISTORY

The ISO Recommendation R 1008, *Photographic black-and-white papers for general use – Preferred sizes of sheet material*, was drawn up by Technical Committee ISO/TC 42, *Photography*, the Secretariat of which is held by the American National Standards Institute (ANSI).

Work on this question led to the adoption of a Draft ISO Recommendation.

In December 1966, this Draft ISO Recommendation (No. 1077) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

|           |                |                       |
|-----------|----------------|-----------------------|
| Argentina | Czechoslovakia | South Africa, Rep. of |
| Belgium   | France         | Sweden                |
| Brazil    | Germany        | Thailand              |
| Bulgaria  | Greece         | U.A.R.                |
| Canada    | Italy          | United Kingdom        |
| Chile     | Japan          | U.S.A.                |

No Member Body opposed the approval of the Draft.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in March 1969, to accept it as an ISO RECOMMENDATION.
