ISO RECOMMENDATION R 1084

INDUSTRIAL TRACTORS

DEFINITION AND NOMINAL RATING

1st EDITION

June 1969

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 1084, *Industrial tractors – Definition and nominal rating*, was drawn up by Technical Committee ISO/TC 110, *Industrial trucks*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question led, in 1967, to the adoption of a Draft ISO Recommendation.

In September 1967, this Draft ISO Recommendation (No. 1061) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Australia	India	Switzerland
Belgium	Ireland	Turkey
Bulgaria	Israel	U.A.R.
Czechoslovakia	Netherlands	United Kingdom
France	Poland	U.S.A.
Germany	South Africa, Rep. of	U.S.S.R.
Greece	Sweden	Yugoslavia

One Member Body opposed the approval of the Draft :

Japan

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in June 1969, to accept it as an ISO RECOMMENDATION.
