September 1969

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 1110, *Plastics – Accelerated conditioning of test specimens of polyamide 66, 610 and 6*, was drawn up by Technical Committee ISO/TC 61, *Plastics*, the Secretariat of which is held by the American National Standards Institute (ANSI).

Work on this question led to the adoption of a Draft ISO Recommendation.

In May 1967, this Draft ISO Recommendation (No. 1274) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Austria	India	Romania
Belgium	Iran	South Africa, Rep. of
Bulgaria	Israel	Spain
Czechoslovakia	Japan	Sweden
France	Korea, Dem. P. Rep. of	Switzerland
Germany	Korea, Rep. of	Turkey
Greece	Netherlands	U.A.R.
Hungary	Poland	U.S.A.

Three Member Bodies opposed the approval of the Draft :

Canada
Italy
United Kingdom

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in September 1969, to accept it as an ISO RECOMMENDATION.
