April 1970

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 1215, *Commercially dry virgin cork, ramassage, gleanings, corkwood refuse and cork-waste – Definitions and packaging*, was drawn up by Technical Committee ISO/TC 87, *Cork*, the Secretariat of which is held by the Repartição de Normalização (IGPAI).

Work on this question led to the adoption of Draft ISO Recommendation No. 1082 which was circulated to all the ISO Member Bodies for enquiry in December 1966. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Argentina	Iran	Portugal
Australia	Israel	Spain
Brazil	Italy	Thailand
Chile	Japan	United Kingdom
Greece	Netherlands	Yugoslavia
Hungary	Poland	

The following Member Body opposed the approval of the Draft :

France

This Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in April 1970, to accept it as an ISO RECOMMENDATION.
