SAMPLING OF LATEX

2nd EDITION
April 1968

This second edition supersedes the first edition

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 123, *Sampling of Latex*, was drawn up by Technical Committee ISO/TC 45, *Rubber*, the Secretariat of which is held by the British Standards Institution (BSI).

Work on this question by the Technical Committee began in 1948 and led, in 1955, to the adoption of a Draft ISO Recommendation.

In March 1957, this Draft ISO Recommendation (No. 144) was circulated to all the ISO Member Bodies for enquiry. It was approved by 23 Member Bodies. No Member Body opposed the approval of the Draft.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in August 1959, to accept it as an ISO RECOMMENDATION.

BRIEF HISTORY RELATING TO THE 2nd EDITION

In 1959, the Secretariat of Technical Committee ISO/TC 45, *Rubber*, drew up a draft proposal for the revision of ISO Recommendation R 123-1959, *Sampling of latex*, in order to accommodate in this Recommendation methods for the sampling of synthetic latices. This draft proposal was adopted by the Technical Committee as a Draft ISO Recommendation.

In November 1963, this Draft revision (No. 622) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Argentina	Germany	Spain
Australia	Hungary	Sweden
Austria	India	Switzerland
Brazil	Israel	United Kingdom
Canada	Japan	U.S.A.
Chile	Korea, Rep. of	U.S.S.R.
Colombia	Netherlands	Yugoslavia
Czechoslovakia	New Zealand	
France	Poland	

No Member Body opposed the approval of the Draft.

The Draft revision was then submitted by correspondence to the ISO Council which decided, in April 1968, to accept it.

This edition (2nd edition) supersedes the first edition of ISO Recommendation R 123-1959.
