The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 1829, *Selection of tolerance zones for general purposes*, was drawn up by Technical Committee ISO/TC 3, *Limits and fits*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question led to the adoption of Draft ISO Recommendation No. 1829, which was circulated to all the ISO Member Bodies for enquiry in April 1969. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Austria	Israel	Spain
Brazil	Japan	South Africa, Rep. of
Chile	Netherlands	Sweden
Czechoslovakia	New Zealand	Switzerland
Germany	Norway	Turkey
Greece	Peru	U.A.R.
Hungary	Poland	United Kingdom
India	Romania	U.S.S.R.

The following Member Bodies opposed the approval of the Draft :

Belgium
Canada
France
Portugal

This Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided to accept it as an ISO RECOMMENDATION.
