INTERNATIONAL ORGANIZATION FOR STANDARDIZATION

ISO RECOMMENDATION R 185

CLASSIFICATION OF GREY CAST IRON

1st EDITION

November 1961

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 185, *Classification of Grey Cast Iron*, was drawn up by Technical Committee ISO/TC 25, *Cast Iron*, the Secretariat of which is held by the British Standards Institution (B.S.I.).

Work on this question by the Technical Committee began in 1955 and led, in 1959, to the adoption of a Draft ISO Recommendation.

In June 1959, this Draft ISO Recommendation (No. 220) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to some amendments, by the following Member Bodies:

Australia	Greece	Romania
Belgium	Hungary	Spain
Burma	India	Sweden
Chile	Italy	Switzerland
Czechoslovakia	Netherlands	United Kingdom
Denmark	New Zealand	U.S.A.
Finland	Norway	
Germany	Portugal	

One Member Body opposed the approval of the Draft: France.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in November 1961, to accept it as an ISO RECOMMENDATION provided the text was completed by the last sentence of the Note preceding Table 2.
