Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 2163, *Industrial trucks – Wheels and castors – Vocabulary*, was drawn up by Technical Committee ISO/TC 110, *Industrial trucks*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question led to the adoption of Draft ISO Recommendation No. 2163, which was circulated to all the ISO Member Bodies for enquiry in October 1970.

The Draft has been approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Australia	Korea, Rep. of	Turkey
Belgium	Netherlands	U.A.R.
Czechoslovakia	Norway	United Kingdom
France	South Africa, Rep. of	U.S.A.
Germany	Spain	U.S.S.R.
India	Sweden	Yugoslavia
Ireland	Switzerland	
Israel	Thailand	

No Member Body opposed the approval of the Draft.

This Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided to accept it as an ISO RECOMMENDATION.
