COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 436, *Informative Labelling*, was drawn up by Technical Committee ISO/TC 73, *Marks Indicating Conformity with Standards*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1958 and led, in 1963, to the adoption of a Draft ISO Recommendation.

In January 1964, this Draft ISO Recommendation (No. 662) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies:

Argentina	Greece	New Zealand
Australia	Hungary	Norway
Belgium	India	Portugal
Brazil	Ireland	Republic of South Africa
Chile	Italy	Spain
Colombia	Japan	Sweden
Denmark	Korea, Rep. of	Switzerland
France	Mexico	U.A.R.
Germany	Netherlands	United Kingdom
		U.S.A.

No Member Body opposed the approval of the Draft.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in April 1965, to accept it as an ISO RECOMMENDATION.
