The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 478, *Paper — Untrimmed Stock Sizes for the ISO-A Series — ISO Primary Range*, was drawn up by Technical Committee ISO/TC 6, *Paper*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1960 and led, in 1963, to the adoption of a Draft ISO Recommendation.

In January 1964, this Draft ISO Recommendation (No. 649) was circulated to all the ISO Member Bodies for enquiry. It was approved by the following Member Bodies:

Belgium	Greece	Poland
Brazil	India	Portugal
Bulgaria	Indonesia	Romania
Canada	Israel	Spain
Chile	Japan	Sweden
Colombia	Korea, Rep. of	Switzerland
Czechoslovakia	Mexico	U.A.R.
Denmark	Netherlands	United Kingdom
France	New Zealand	U.S.S.R.
Germany	Norway	Yugoslavia

One Member Body opposed the approval of the Draft: U.S.A.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council which decided, in April 1966, to accept it as an ISO RECOMMENDATION.
