SOUND SIGNALLING DEVICES ON MOTOR VEHICLES ACOUSTIC STANDARDS AND TECHNICAL SPECIFICATIONS

1st EDITION
October 1966

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 512, *Sound Signalling Devices on Motor Vehicles – Acoustic Standards and Technical Specifications*, was drawn up by Technical Committee ISO/TC 22, *Automobiles*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1961 and led, in 1962, to the adoption of a Draft ISO Recommendation.

In December 1962, this Draft ISO Recommendation (No. 549) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies:

Australia	France	Poland
Austria	Greece	Portugal
Brazil	Hungary	Romania
Burma	India	Spain
Chile	Italy	Turkey
Czechoslovakia	Japan	U.S.S.R.
Finland	New Zealand	

Seven Member Bodies opposed the approval of the Draft:

Belgium	Switzerland
Denmark	United Kingdom
Germany	U.S.A.
Sweden	

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in October 1966, to accept it as an ISO RECOMMENDATION.
