BRIEF HISTORY

The ISO Recommendation R 536, *Determination of Paper Substance*, was drawn up by Technical Committee ISO/TC 6, *Paper, Board and Pulps*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1955 and led, in 1963, to the adoption of a Draft ISO Recommendation.

In December 1964, this Draft ISO Recommendation (No. 612) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies:

Argentina	Greece	Romania
Australia	India	Spain
Belgium	Israel	Sweden
Brazil	Japan	Switzerland
Canada	Mexico	Turkey
Chile	Morocco	U.A.R.
Czechoslovakia	Netherlands	United Kingdom
Denmark	New Zealand	U.S.S.R.
Finland	Norway	Yugoslavia
France	Poland	
Germany	Portugal	

Three Member Bodies opposed the approval of the Draft:

Italy
Republic of South Africa
U.S.A.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in January 1967, to accept it as an ISO RECOMMENDATION.
