SUBSTANCES OF PAPER

1st EDITION

March 1958

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 58, *Substances of Paper*, was drawn up by Technical Committee ISO/TC 6, *Paper*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

The draft proposal put forward by the Secretariat was considered and worked out by Sub-Committee 1, *Nomenclature - Terminology - Substances*, of Committee ISO/TC 6, at its meetings held in Paris, in 1952, and in Lisbon, in 1954.

On 28 September 1956, the Draft ISO Recommendation, proposed by Technical Committee ISO/TC 6, was submitted to all the ISO Member Bodies and approved, subject to some editorial amendments, by the following 23 (out of a total of 37) Member Bodies:

Austria	Hungary	Romania
Bulgaria	India	Spain
*Canada	*Ireland	*Sweden
Czechoslovakia	Japan	Turkey
*Denmark	*Netherlands	Union of South Africa
France	Pakistan	United Kingdom
Germany	Poland	*U.S.A.
*Greece	Portugal	

One Member Body opposed the approval of the Draft: Finland.

The Draft ISO Recommendation was then submitted, by correspondence, to the ISO Council, which decided, in March 1958, to accept it as an ISO RECOMMENDATION.

* These Member Bodies stated that they had no objection to the Draft being approved.
