The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 580, *Oven Test for Moulded Fittings in Unplasticized Polyvinyl Chloride (PVC) for Use under Pressure*, was drawn up by Technical Committee ISO/TC 5, *Pipes and Fittings*, the Secretariat of which is held by the Association Suisse de Normalisation (SNV).

Work on this question by the Technical Committee began in 1962 and led, in 1963, to the adoption of a Draft ISO Recommendation.

In June 1965, this Draft ISO Recommendation (No. 821) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies:

Argentina	France	Netherlands
Australia	Germany	Norway
Austria	Greece	Poland
Belgium	Hungary	Portugal
Brazil	India	Spain
Canada	Ireland	Sweden
Chile	Israel	Switzerland
Czechoslovakia	Italy	U.A.R.
Denmark	Japan	U.S.S.R.
Finland	Korea, Rep. of	Yugoslavia

One Member Body opposed the approval of the Draft:

United Kingdom

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in April 1967, to accept it as an ISO RECOMMENDATION.
