BRIEF HISTORY

The ISO Recommendation R 592, *Determination of the Optical Rotation of Essential Oils*, was drawn up by Technical Committee ISO/TC 54, *Essential Oils*, the Secretariat of which is held by Repartição de Normalização (IGPAI).

Work on this question by the Technical Committee began in 1952 and led, in 1963, to the adoption of a Draft ISO Recommendation.

In September 1964, this Draft ISO Recommendation (No. 89) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies:

Argentina	Italy	Spain
Belgium	Japan	Sweden
Bulgaria	Korea, Rep. of	Turkey
Chile	Netherlands	United Kingdom
Czechoslovakia	New Zealand	U.S.S.R.
France	Poland	Yugoslavia
Germany	Portugal	
India	Republic	
Iran	of South Africa	
Israel	Romania	

No Member Body opposed the approval of the Draft.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in July 1967, to accept it as an ISO RECOMMENDATION.
