October 1967

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 624, *Pulps—Extraction of materials soluble in dichloromethane*, was drawn up by Technical Committee ISO/TC 6, *Paper, board and pulps*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1963 and led, in 1965, to the adoption of a Draft ISO Recommendation.

In January 1966, this Draft ISO Recommendation (No. 891) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies:

Argentina	Germany	Romania
Australia	India	South Africa,
Austria	Iran	Rep. of
Belgium	Israel	Spain
Brazil	Japan	Sweden
Bulgaria	Korea, Rep. of	Switzerland
Canada	Mexico	Turkey
Chile	Netherlands	U.A.R.
Czechoslovakia	New Zealand	United Kingdom
Finland	Poland	U.S.A.
France	Portugal	Yugoslavia

Two Member Bodies opposed the approval of the Draft:

Italy
Norway

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in October 1967, to accept it as an ISO RECOMMENDATION.
