1st EDITION

July 1968

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 788, *Ultramarine pigments*, was drawn up by Technical Committee ISO/TC 35, *Paints, varnishes and related products and their raw materials*, the Secretariat of which is held by the Nederlands Normalisatie-Instituut (NNI).

Work on this question by the Technical Committee began in 1955 and led, in 1965, to the adoption of a Draft ISO Recommendation.

In April 1967, this Draft ISO Recommendation (No. 983) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Australia	Italy	Sweden
Denmark	Netherlands	Switzerland
France	New Zealand	Turkey
Germany	Portugal	United Kingdom
India	South Africa,	Yugoslavia
Iran	Rep. of	
Israel	Spain	

One Member Body opposed the approval of the Draft :

Japan

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in July 1968, to accept it as an ISO RECOMMENDATION.
