ISO RECOMMENDATION R 839

MILLING MACHINE ARBORS WITH 7/24 TAPERS
AND MILLING MACHINE ACCESSORIES

1st EDITION

October 1968

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 839, *Milling machine arbors with 7/24 tapers and milling machine accessories*, was drawn up by Technical Committee ISO/TC 29, *Small tools*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1958 and led, in 1965, to the adoption of a Draft ISO Recommendation.

In June 1966, this Draft ISO Recommendation (No. 938) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Argentina	Hungary	Netherlands
Belgium	India	Poland
Brazil	Ireland	Portugal
Chile	Israel	Spain
Czechoslovakia	Italy	Sweden
France	Japan	Turkey
Greece	Korea, Rep. of	United Kingdom

Three Member Bodies opposed the approval of the Draft :

Germany
Switzerland
U.S.A.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in October 1968, to accept it as an ISO RECOMMENDATION.
