ISO RECOMMENDATION R 857

DEFINITIONS OF WELDING PROCESSES

1st EDITION
October 1968

COPYRIGHT RESERVED

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.

For each individual country the only valid standard is the national standard of that country.

Printed in Switzerland

Also issued in French and Russian. Copies to be obtained through the national standards organizations.

BRIEF HISTORY

The ISO Recommendation R 857, *Definitions of welding processes*, was drawn up by Technical Committee ISO/TC 44, *Welding*, the Secretariat of which is held by the Association Française de Normalisation (AFNOR).

Work on this question by the Technical Committee began in 1957 and led, in 1966, to the adoption of a Draft ISO Recommendation.

In August 1966, this Draft ISO Recommendation (No. 978) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Austria	Greece	South Africa, Rep. of
Belgium	India	Spain
Brazil	Ireland	Sweden
Canada	Israel	Switzerland
Chile	Japan	Thailand
Czechoslovakia	Korea, Rep. of	Turkey
Denmark	New Zealand	U.A.R.
Finland	Norway	U.S.S.R.
France	Poland	Yugoslavia
Germany	Romania	

Two Member Bodies opposed the approval of the Draft :

United Kingdom
U.S.A.

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in October 1968, to accept it as an ISO RECOMMENDATION.
