BRIEF HISTORY

The ISO Recommendation R 942, *Whiteheart malleable cast iron*, was drawn up by Technical Committee ISO/TC 25, *Cast iron*, the Secretariat of which is held by the British Standards Institution (BSI).

Detailed work on this question by the Technical Committee led, in 1966, to the adoption of a Draft ISO Recommendation.

In February 1967, this Draft ISO Recommendation (No. 1193) was circulated to all the ISO Member Bodies for enquiry. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Argentina	Germany	Romania
Australia	Greece	South Africa, Rep. of
Belgium	India	Sweden
Brazil	Israel	Switzerland
Canada	Korea, Rep. of	Thailand
Chile	Netherlands	Turkey
Czechoslovakia	New Zealand	U.A.R.
Finland	Norway	United Kingdom
France	Portugal	Yugoslavia

One Member Body opposed the approval of the Draft :

Italy

The Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided, in January 1969, to accept it as an ISO RECOMMENDATION.
