Foreword

This translation has been made based on the original Japanese Industrial Standard revised by the Minister of Economy, Trade and Industry through deliberations at the Japanese Industrial Standards Committee as the result of proposal for revision of Japanese Industrial Standard submitted by Japan Titanium Society (JTS) /Japanese Standard Association (JSA) with the draft being attached, based on the provision of Article 12 Clause 1 of the Industrial standardization Law applicable to the case of revision by the provision of Article 14.

Consequently **JIS H 4670: 2001** is replaced with this Standard.

This **JIS** document is protected by the Copyright Law.

Being in conformance with this Standard may come under the use of the following patent right :

- Name: Kobe Steel, Ltd.
- Address: Wakinohama-chô 2-10-26, Chûo-ku, Kôbe-shi, Hyôgo-ken
- Name: Nippon Mining and Metals Co., Ltd.
- Address: Kurami 3, Samukawa-machi, Kôza-gun, Kanagawa-ken
- The holders of the above-mentioned patent rights have expressed their intention to Japanese Industrial Standards Committee to permit anyone to exercise the relevant patent rights under the nondiscriminatory and reasonable conditions, provided that the holders of other patent rights related to this Standard permit the use of their property rights under the same conditions.
- It should be noted that following this Standard does not always refer to granting a free license.
- Attention is drawn to the possibility that some parts of this Standard may conflict with the patent rights other than shown above. The Minister of Economy, Trade and Industry and the Japanese Industrial Standards Committee are not responsible for identifying such patent rights.
- The "patent rights" referred to in this foreword indicates the patent right, application for a patent after opening to the public, utility model right or application for registration of utility model after opening to the public.
