6. Appendix-Drawing

1. Scope of Application

This shall be applied to sand moving cart for gathering dumped sand.

2. Cart structure

Structure and dimension of cart shall be as appended drawing.

3. Cart Material

Material of cart shall be mainly steel plate and attach caster at lower part.

4. Cart Quality

- (1) Weld inner corner part and there should be no leak of sand.
- (2) Paint epoxy at inner part against corrosion.
- (3) Heat-resisting silver at outer part.

5. Inspection Method

Check shape and weld condition with naked eyes.
