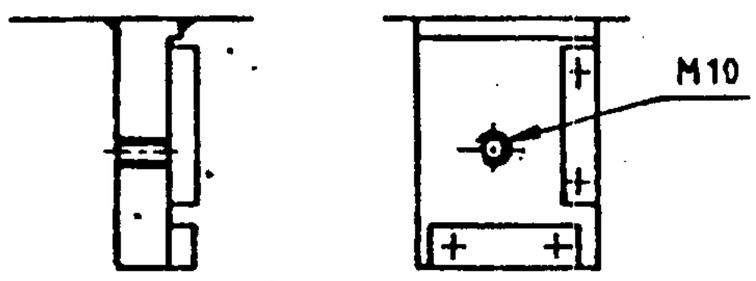
1. Summary of gage mount bracket

The base gage mount bracket is a bracket to mount the base gage. Although there is a divided bracket, it can be integrated with the main body frame.

2. Types of base gage mount bracket

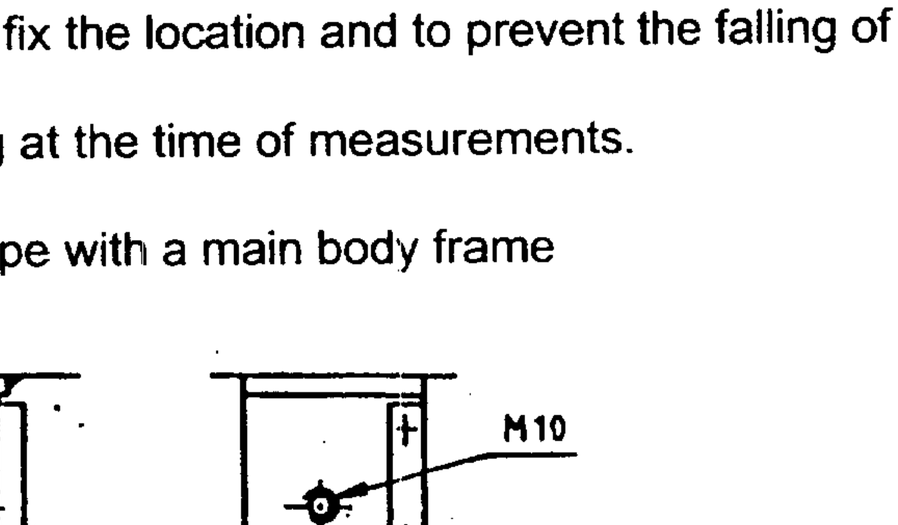
It is installed to fix the location and to prevent the falling of a gage. Choose its position to ease the sliding at the time of measurements.

2.1 Integrated type with a main body frame



2. 2 Base of 2-direction

Plate mount type



2. 3 Decision of 1-direction position
