Additional Rule

Quoted Document

1. Scope of Application

This standard shall be applicable for passenger cars using a disc brake caliper ass'y.
But, two-wheeled cars, trucks and special cars are excluded.

2. Purpose

This standard shall be for evaluating the corrosion resistance of a caliper ass'y on bench.

3. Evaluation Standard

The measured values shall be satisfied with the indicated values on drawings.

4. Test Preparation

4.1 Condition of Brake System

- (1) Use the new regular parts of pads, a disc and brake fluid.
- (2) Assemble a brake system with the parts of normal function.

4.2 Test Equipment
