1	Information & Instructions for completing an Application Form for applying towards Integrated Assessment	3
2	Application Form	7

Information & Instructions for completing an Application Form for applying towards Integrated Assessment

1. Laboratories seeking Recognition/Approval from Concerned Regulatory Body(ies)- Export Inspection Council (EIC), Food Safety and Standards Authority of India (FSSAI) and Agricultural & Processed Food Products Export Development Authority (APEDA), Indian Oilseeds and Produce Export Promotion Council (IOPEPC), Spices Board, Shellac & Forest Products Export Promotion Council (SHEFEXIL) and other commodity boards in conjunction with the accreditation in accordance with ISO/IEC 17025 by NABL.
2. Application shall be made in the prescribed form NABL 154 only. Separate application form shall be submitted for each discipline of testing. The application shall consist of the following:
 - Two sets of completed application forms/ discipline
 - One copy of laboratory Quality Manual/ Management System Document
 - Prescribed application fees
 - Copy of NABL131 duly signed.

Incomplete application, fraudulent behavior, false information and concealing the information may lead to rejection of application or termination of the assessment process.

Laboratories shall fill the application form NABL 151 for the scope not covered under Integrated Assessment.

3. The applicant laboratory shall undertake to carry out its testing activities in such a way as to meet the requirement of ISO/IEC 17025, NABL specific criteria, other relevant requirements of NABL and the regulatory authorities, as applicable at all times.
4. Applicant laboratories are advised to ensure that the latest versions of NABL documents are available with them.
5. The application fee and other necessary charges related to accreditation process is given in NABL document NABL 100A 'General Information Brochure' (Fee for Integrated Assessment separately). NABL 100A is available on NABL website.
6. Laboratories are advised to familiarize themselves with NABL 100A 'General Information Brochure' and NABL 100B 'Accreditation Process & Procedure', NABL 127: Procedure for Integrated Assessment & Additional Requirements of Regulatory Body (ies) for Testing Laboratories, NABL 216 'Procedures for Dealing with Adverse Decisions' and NABL 131 'Terms and Conditions for Obtaining and Maintaining NABL Accreditation' before filling up this form.
