REFERENCE

Reference is made in this specification to:-

British Railways Specification	831	Connectors for BR Miniature Relays
British Railways Standard Drawing	BRS-SE-55	Details of connector slots for BR relay plugboard

Where this specification requires reference to BR specifications the latest issue shall apply, unless specially stated. Any reference to a Common appendix shall refer to the 'Common appendices for miniature relay specifications', for specifications in the BR 930 series.

1. GENERAL

- 1.1 The plugboard covered by this specification shall be intended as a plug-in connection and mounting for BR specification 930 series relays.
- 1.2 The plugboard shall be constructed so as to retain electrical connectors to BR specification No. 831.
- 1.3 The plugboard shall be constructed so as to provide a fixing for a relay retaining clip as specified in Common appendix 'B2'.
