Compliance

This Network Rail standard is mandatory and shall complied with by all persons who plan to or carry out works on Network Rail infrastructure from 1 March 2009.

When this standard is implemented, it is permissible for all projects that have formally completed GRIP Stage 4 to continue to comply with the Issue of any relevant Network Rail Standards current when GRIP Stage 4 was reached and not to comply with requirements contained herein, unless the designated Standard Owner has stipulated otherwise in the accompanying briefing note.
