Appendix R
Moving bridges

R.1 Purpose

This specification states the maintenance requirements for moving bridges.

R.2 Scope

This specification is applicable to all Network Rail functional mechanical (moveable) bridges. This excludes non-operational bridges where the moveable span has been fixed or removed.

The scope of this specification covers all the electrical, mechanical, hydraulic and control equipment associated with the movement of the bridges.

R.3 Reference documentation

Refer to Standards Map PLT09

R.4 Definitions

Moveable Bridge	These are also known as ‘swing’ and ‘moving’ bridges.
Maintenance Documentation	Information available to carry out maintenance.
