# *MODEL CLAUSES FOR CIVIL ENGINEERING WORKS*

## *SECTION 40* *DEMOLITION AND SITE CLEARANCE*

*NOTES TO SPECIFIER:*

**Certificates of Design and Checking** ***40.1***

*In accordance with the recommendations made following the fatal accident at St John's in 1992, the demolition of multi-span arch bridges must always be identified in the Contract as a major item of Temporary Works requiring a Category III design check. The Specifier should consider whether any or all of the demolition should be similarly specified in the Contract.*
