MODEL CLAUSES FOR CIVIL ENGINEERING WORKS

SECTION 174

PROTECTIVE COATING OF TIMBER SURFACES

NOTES TO SPECIFIER:

These notes do not form part of the Specification.

Existing coatings

174.1 *The specifier should check that the process specified for treating any existing coatings is suitable for the surface and coatings.*

When the total removal of the existing coatings is not required, it is necessary to check the compatibility of the existing and new coatings.
