Issue record

Issue	Date	Comments
Issue 1	April 2005	This procedure has been taken out of existing codes of practice and is issued as a stand alone business process document
Issue 2	August 2006	Minor amendments to correct inconsistencies in previous version and to align the systems checks with the relevant British Standards.
Issue 3	September 2010	Changed to L3 standard and sheet added for monthly fire extinguisher check. The log book record sheets have been removed and issued as NR/L3/FIR/109/F008

Compliance

This Network Rail standard is mandatory and shall be complied with by Network Rail and its contractors if applicable from 4 December 2010.

When this standard is implemented, it is permissible for all projects that have formally completed GRIP Stage 4 to continue to comply with the Issue of any relevant Network Rail Standards current when GRIP Stage 4 was reached and not to comply with requirements contained herein, unless the designated Standard Owner has stipulated otherwise in the accompanying Briefing Note.
