4.8 Train Crew Management

National Control Instruction

Controllers shall ensure that they adhere to the relevant Train Crew Management policy/policies in force for the services affected by late running or disruption.

Approved Code of Practice

Reference

Train Operating Companies procedures

4.8.1 Train Crew considerations

4.8.1.1 When considering any alterations to trains, Network Rail controllers must liaise with the relevant Train Operator controllers to ensure that traincrew considerations are taken into account.

4.8.1.2 These considerations may include route and traction knowledge, hours of duty and PNB times.
