Level 3

Track Circuit Operating Device (T-COD) identification of locations for use

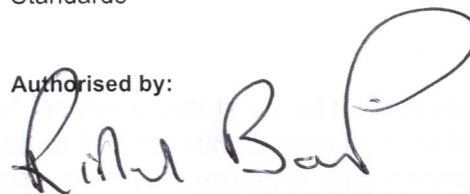

Endorsement and Authorisation

Endorsed by:

R Bassett, Acting Head of Operations Principles & Standards

Authorised by:

R Bassett, Steering Group Chair

Accepted for issue by:

M McManus, National Standards Manager

Issue record

Issue	Date	Comments
1	February 1998	Initial issue
2	April 1999	Revision to permit use on non-TCB lines
3	August 2008	Phase 2A / Engineering reorganisation responsibility change

Compliance

This Network Rail standard is mandatory and shall be complied with by Network Rail and its contractors if applicable from 26 August 2008.

When this standard is implemented, it is permissible for all projects that have formally completed GRIP Stage 4 to continue to comply with the Issue of any relevant Network Rail Standards current when GRIP Stage 4 was reached and not to comply with requirements contained herein, unless the designated Standard Owner has stipulated otherwise in the accompanying Briefing Note.
