0.1 Job roles

This module is applicable to the following job roles, you must familiarise yourself with all of the clauses contained within it to understand your personal responsibilities. If you intend to carry out any of these roles you must hold the relevant Sentinel competency:

- Machine Controller
- Machine Operator
- COSS
- ES
- Planner
- Plant Supplier
- Machine Manufacturer
- Machine Converter

0.2 Risk mitigation

This module helps mitigate the following high level risks:

- a) compliance with legislation (LOLER, PUWER, HASAW);
- b) damage to assets, e.g. RRV or its load hitting a passing train during ALO operation;
- c) staff injuries, e.g. Operator being trapped between machine and infrastructure or machine and machine.
